Perioperative Perspective:

LATEST TRENDS AND PRACTICES

Christiana Care's Perioperative Value Council invites you to attend the 10th annual Perioperative Perspective: Latest Trends & Practices with national speakers and breakout sessions on important current topics. The conference is for nursing professionals, student nurses and surgical technicians. CNE credits will be offered.

Keynote Speaker

Kris Ann Piazza

An experienced leadership coach, Kris Ann Piazza has the positive mindset leaders need in today's challenging health care environment to grow through change. With passion, intelligence, and

humor she shares her journey over adversity to demonstrate the human capacity for resilience.

She is recognized for her ability to connect with people and coach them to greater levels of personal and professional achievement .

Featured Speaker

Donna Cardillo, RN, CSP

With over 25 years of clinical, managerial, and business experience, Donna Cardillo is a motivating, humorous keynote speaker, author, and columnist. She travels the world inspiring women to maximize their full

potential and energize their career and life.

Throughout her career in emergency and psychiatric nursing she has earned top honors that include being named a Diva in Nursing by the Institute for Nursing in New Jersey, one of the 50 Best Women in Business by NJBIZ, and Business Woman of the Year in New Jersey.
